

Together, We are Saving Sight

Saving Sight Report, August 2014

Volunteer: KS State Fair - Sept 5-14

The Kansas State Fair is a great opportunity to connect with the general public and talk about eye, organ, and tissue donation. We are looking for enthusiastic Lions to help run a booth at the fair and talk to people about joining the Kansas donor registry. No previous experience is necessary--we'll teach you everything you need to know!

Please contact Darin Manlove at 620-259-7388 or dmanlove@saving-sight.org for more information about available time slots and getting signed up to serve.

Save the Date: Kansas City Open House, Sept 27

Please join us for an open house at our Kansas City office (10100 N. Ambassador Dr., Suite 200, Kansas City, MO 64153) from 12-2 pm on Saturday, September 27, 2014. All Lions are welcome to attend. Light refreshments and tours will be provided, including a look at our newly renovated eye banking lab. If you plan to attend, please notify us at pr@saving-sight.org or 800-283-1982 x115. You may also contact us with questions by phone or email.

Kansas Cornea Transplant Stats

In Fiscal Year 2013-2014, Saving Sight provided corneal tissue for 358 cornea transplant recipients in Kansas. This was for another record-breaking year for Saving Sight in Kansas, exceeding our previous 3-year average by 9 transplants. Thanks to the Kansas Lions' support, 358 Kansans regained their vision through the gift of sight. Learn more about cornea donation and transplantation at www.saving-sight.org/cornea-donation.

We are Lions. We are Saving Sight.
